Wirsol Energy Opens Office and Registered Entity in Sydney, Australia

13th February 2017, London, UK

- Wirsol Energy Ltd, UK establishes new subsidiary in Australia
- Wirsol Energy Pty. Ltd. opens new office in Manly, Sydney, Australia
- Wirsol will plan to deploy up to 1GWp of solar power by 2020

Following on from the recent announcement of Wirsol acquiring and funding 198MWp of solar parks across Australia, Wirsol announce the opening of their subsidiary in Australia, Wirsol Energy Pty. Ltd. together with the establishment of an office in Manly, Sydney, Australia. Wirsol will have staff relocated from the UK and recruit local expertise to support the growth of the business over coming years.

Mark Hogan, MD of Wirsol Energy Limited said “The establishment of the entity and our business is a very major accomplishment for our business. With the announcement of the largest solar investment in Australia to date totaling \$381m (€280m), we now move toward construction and the ongoing acquisition of solar assets in Australia. We believe our expertise within Wirsol coupled with the macro economic market dynamics will prove to be a winning recipe as we seek to fulfil our internal ambition of deploying 1GWp solar across Australia by 2020 and thus well in excess of one billion Euros and the creation of significant employment both internally and through our partner contractors.”

About Wirsol

Wirsol Energy Limited (a subsidiary of WIRCON GmbH) is a customer focused company in planning, financing, installation and maintenance of renewable power stations of all sizes. Wirsol brings all of these components together smoothly for customers and investors. Wirsol focuses on carefully selected large onshore wind and solar projects, together with integrated energy management and storage solutions. Our market is addressed under the own brands WIRCON and Wirsol, as well as in close collaboration with energy providers looking for de-centralized renewable solutions to enhance their so far commodity based business models. Wirsol have just opened Australian offices located at Suite 101 – 39 East Esplanade, Manly, NSW. For additional information visit: www.wircon.eu
